**APPENDIX E-8
DRAFT HISTORIC PROPERTIES MANAGEMENT PLAN**

Per guidance from the Federal Energy Regulatory Commission (FERC), the Draft Historic Properties Management Plan contains Controlled Unclassified/Privileged Information and has therefore been omitted from general distribution in the Don Pedro Hydroelectric Project Amendment to the Final License Application. This information has been filed with FERC with a Privileged designation (CUI//PRIV) under separate cover as part of the Amendment to the Final License Application submittal. Procedures for obtaining access to Privileged information may be found at 18 CFR § 388.112.
