In accordance with the communications guidelines outlined in sections 2.4.3 and 2.5.3 of the Pre-Application Document (PAD) filed with the Federal Energy Regulatory Commission (FERC) on February 10, 2011, the Turlock Irrigation District (TID) and Modesto Irrigation District (MID) (collectively, the Districts) have established and maintained an extensive Relicensing Participants Email Group. This group listing has been used to keep all interested parties, including agencies, tribes, non-governmental organizations (NGOs), and interested members of the public, advised of all relicensing activities. Table 1.0-1 contains a list of the current Relicensing Participants Email Group, by name and affiliation.
